

# Backyard BBQ Feast on the Harbor

## Menu

### **PULLED PORK BBQ**

Hickory smoked slow and low to perfection. Served with a variety of our signature barbecue sauces. Pile it high on a soft brioche bun for a sandwich you'll never forget.

### **BARBEQUED CHICKEN**

Rubbed, seasoned, and packed full of fall of the bone flavor.

### **BURGERS & DOGS**

Nothing says "4th of July" like an All American picnic style hamburger or hot dog. Choose from a juicy black angus' quarter pound burger or an all-beef hot dog. Can't make up your mind, grab one of both!

### **BAKED MAC AND CHEESE**

Homemade baked mac and cheese just like Grandma used to make!

### **BAKED BEANS**

Traditional baked beans with a hint of brown sugar and maple bacon.

### **GREEN BEANS**

Fresh green beans with our secret low country seasoning.

### **POTATO SALAD**

Made from scratch potato salad is the perfect cool compliment to any 4th of July feast!

### **APPLE COBBLER**

This all-time holiday favorite is served up nice and warm with perfect blend of melt in your mouth apples and homemade crust.

### **BANANA PUDDING**

Here in the south, we pronounce it "Naner Puddin"...but regardless of where you are from this is one of our most popular summertime treats.

### **SWEET & UNSWEETENED TEA**
